REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

In independent claims 1 and 20 directed towards a recording control apparatus and method the following features taken in combination with the remaining limitations in the independent claims are not found in and or are not obvious in view of the prior art of record,

Claim 1,

"a detector which detects, when connected to the recording medium, whether an apparatus that last performed the writing or deleting the data has the function of updating the unit management table or not by reading out the apparatus information recorded by said updated apparatus information recording unit; and a reconstructing unit which reconstructs the unit management table if the apparatus that last performed the writing or deleting the data does not have the function of updating the unit management table";

Claim 20,

"reading out, prior to using the recording medium, the information recorded in said recording, and detecting whether an apparatus that last performed said writing or deleting has updated the unit management table or not; and reconstructing the unit management table if the apparatus that last performed said writing or deleting has not updated the unit management table".

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Stephen Elmore whose telephone number is (571) 272-4436. The examiner can normally be reached on Mon-Fri from 9:30-6:00.
